Dear Mr ...

We would like to invite you to become a member of the Horwich Mens' Probud Club. An outline of our activities is given below.

Probus Clubs are made up of retired, or semi retired, people who typically have a wide range of work experiences. The Horwich Club has members who have been accountants, buyers, civil servants, clergymen, computer systems managers, doctors, financial consultants, fire engineers, geologists, haulage contractors, lecturers, manufacturers, human resources, planning and sales managers, surgeons, surveyors and teachers.

As would be expected for such a diverse group, they have a very wide range of hobbies and interests.

The Horwich Club meets approximately twice each month on Monday. After informal chats over a cup of coffee or tea, an invited speaker addresses the meeting. Topics are chosen to be interesting, challenging, rewarding, informative or simply fun. Recent subjects have included –

Nuclear: A Green Form of energy  
Faith, Fun and Fellowship  
Animals at War  
Alan Turin  
Bringing Law to Life with Laughter.

These Meetings begin at 10.00 and conclude by 12.00. We currently meet at the Old Links Golf Club with easy access to a ground floor room.

Each year four members Lunch meetings are held. In addition, an Annual Evening Dinner is arranged to which guests are invited. Relaxing music, or an amusing speaker is invited to join us to complete the evening.

Together, these events enable members to widen their group of friends in a relaxed atmosphere.

As we need to pay fees and expenses to our speakers and pay for the use of a meeting room, it is necessary for us to have an annual subscription. In addition, there is a nominal meeting fee to covers the cost of the refreshments provided.

If you have any questions before you apply to join us, please contact the Secretary.

Yours sincerely

Colin Chambers - Chairman
